Don't Miss Out - Only a Few Seats Left for MRA's Introduction to Basic Marina Operations

Monday, October 24, 2016
Hilton La Jolla Torrey Pines
\$89.00 Registration

9:45 to 10:00 **Welcome & MRA Orientation**

10:00 to 11:20 **Introduction to Basic Marina Operations: Policies and Practices**

Administrative practices that keep your marina running smoothly and allow you to spend more time where you need to most, with your boaters. Including these practices in your routine will allow you to do this. What do you need to have on record to cover your marina? How often do you need to update the information? What is the best process to acquire the information that you need. Making this process easy will save you time and money with the least amount of impact on your boaters.
Jeremy Grewal, Marina Manager, Safe Harbor Marinas

11:30 to 11:55 **Introduction to Basic Marina Operations: Q&A Policies and Practices**

12:00 to 1:00 **Lunch (included in registration price)**

1:00 to 2:20

Introduction to Basic Marina Operations: Safety and Maintenance

How do I look for safety concerns in my marina and how do I manage these risks? This discussion will give you a number of examples of things that can hurt or kill people these are things you walk past every day. Have different employees tour your facilities looking for boats or boaters not living within your own marina rules and regulations. Do you have an Emergency Management Plan for the marina; for things like fires, floods, earthquakes, tsunamis, shootings, medical emergencies, or any other number of things? Do I have a well maintained marina and could it be improved?

Larry R. Halgren, CMP, Principal, Halgren & Associates
